

Physician spouses dedicated to the health of America.

THE ROCK ISLAND COUNTY MEDICAL SOCIETY ALLIANCE

On behalf of the Rock Island Medical Society Alliance, I would like to welcome you and your family to the Quad Cities. I hope that you have settled nicely in this beautiful community.

Let me introduce our group, we all have varying interests and backgrounds, but we are all spouses of physicians. We participate in many charitable causes for our community, and also share a deep, unique friendship with other spouses. This year some of the activities have been already planned, such as our Annual Wine and Cheese Fundraiser, the Lydia Home Shower, and the Martinis & Manicures Fundraiser (which benefits the Quad Cities Children's Therapy Center).

Our monthly meetings provide a good opportunity to meet members in a smaller group. This is also a time to decide what activities and projects you would like to get involved with. You may choose to be involved at a minimal level, or jump in with both feet; we would welcome you no matter which option you choose.

We do keep one very important thing in mind, while helping our great community we have lots of fun, it truly is a great social outlet as well. We have made lifelong friends through our many years of working together!

We would like to take this opportunity to invite you to join our Alliance, I would be more than happy to answer any questions you may have. Also, we have membership forms available on line for you by going to www.QCMSO.com

Please consider joining, my contact information is below, I would be happy to accompany you to the first meeting if you would like.

Thanks

Jaya Thakkar
